Double action anti-scale filter

Clear water, cleaner kettle

Double action anti-scale filter

Elegantly decorated compact kettle that stays clean longer and keeps water free of limescale flakes due to the Double Action filter. Shut-off is activated automatically when the water has reached boiling point.

Quick and easy cleaning
- Double action filter for clear water and a cleaner kettle
- Flat heating element for fast boiling and easy cleaning

Easy to experience
- Double water level indication for left- and right-handed use
- Pirouette 360° centre connector for easy lifting and placing
- Base allows cord storage

Safe to use
- Lid stays cool for optimal safety
- Hinged locking lid: easy to use, maximum safety

- Capacity: 1.0 l

Accessories
- Filter: HD 4983

Design and finishing
- Colour(s): Bright white/Sunset orange (/55)
- Materials: Polypropylene/ABS

Product highlights

Double action anti-scale filter
The Double Action filter works two ways: a scale collector attracts scale from the water, and the regular filter prevents the remaining particles from being poured into your drink.
